

JALT ASSOCIATE MEMBER Terms of Agreement

1) MISSION OF JALT

The Japan Association for Language Teaching (JALT) promotes excellence in language learning, teaching, and research by providing opportunities for those involved in language education to meet, share, and collaborate.

2) ASSOCIATE MEMBERSHIP IN JALT

- a) Associate Membership in JALT is open to any organization that supports the aforementioned mission and is involved in the production of quality products, or provides services in or directly related to the language education field. Any member company, organization, or consortium wishing to display must take out individual Associate Membership. Furthermore, JALT Associate Members (AM) cannot represent or display for another company or organization unless the AM has prior approval from JALT.
- b) JALT affirms that the relationship between the organization as a whole and an AM remains one of mutual interest and cooperation. JALT recognizes the role played by AMs in providing a wide range of services to JALT members within the parameters of JALT's mission. Such services include, but are not limited to, bringing speakers to the JALT annual international conferences, giving professional workshops at annual international conferences, regional and local Chapter and SIG meetings, sponsoring services and events, and advertising in JALT publications.

3) MEMBERSHIP APPLICATIONS

- d) JALT will send a renewal notice and invoice to the member one and a half months before the membership expires. If an AM wishes to continue the membership, it will be activated with the payment.
