

JALT SPONSOR
Terms of Agreement 2024
Effective from April 1, 2024 to March 31, 2025

1) MISSION OF JALT

The Japan Association for Language Teaching (JALT) promotes excellence in language learning, teaching, and research by providing opportunities for those involved in language education to meet, share, and collaborate.

2) SPONSORSHIP IN JALT

- a) Sponsorship in JALT is open to any organization that supports the aforementioned mission and is involved in the production of quality products or provides services in or directly related to the language education field or the membership. Any sponsor company, organization, or consortium wishing to display must take out individual sponsorship. Furthermore, JALT Sponsors (JS) cannot represent or display for another company or organization unless the JS has prior approval from JALT.
- b) JALT affirms that the relationship between the organization as a whole and a JS remains one of mutual interest and cooperation. JALT recognizes the role played by JSs in providing a wide range of services to JALT members within the parameters of JALT's mission. Such services include but are not limited to, bringing speakers to the JALT annual international conferences, giving professional workshops at annual international conferences, regional and local Chapter and SIG meetings, sponsoring services and events, and advertising in JALT publications.

3) SPONSORSHIP APPLICATIONS

- a) Applications for sponsorship will be approved by the directors of program and treasury, and the business manager. They have the right to refuse applications.
- b) By submitting an application form by email, the applicant is deemed to have signed the application form.
- c) After applications are approved, the applicant's email contact(s) are added to the JS Mailing List.

4) SPONSORSHIP PAYMENTS, RENEWALS, AND CANCELLATIONS

- a) Sponsorship is fixed for a period of one calendar year starting from the first day of the month. Sponsorship will be activated after payment is received.
- b) JALT is a tax-exempt organization.
- c) Payment can be made by bank transfer or credit card. The JS must cover the bank transfer fees including any intermediate bank commission. JALT cannot assume responsibility for any bank charges the transaction might incur. JALT is unable to accept checks for any payments.
- d) JALT will send a renewal notice and invoice to the sponsor one and a half months before the sponsorship expires. If a JS wishes to continue the sponsorship, it will be activated with the payment. If a JS wishes to discontinue the sponsorship, JALT requests that the renewal notice be returned. Sponsorship payments not received within three months after the sponsorship

expires will result in the sponsorship being discontinued and all services suspended.

- e) Sponsorship payments are non-refundable. JALT is a non-profit institution that is funded by membership dues. Sponsorship dues are considered donations and are not refundable once paid.
